

Unik Surgical: Pioneering Medical Equipment & Furniture Solutions

Welcome to Unik Surgical, a leading manufacturer, trader, exporter, and importer of a wide assortment of high-quality medical equipment and furniture. Established in 2009, we have rapidly grown to serve both domestic and international markets, driven by our commitment to consistency and customisation.

Our Vision, Mission & Goals

Our Vision

To become a global leader in the manufacturing, trading, exporting, and importing of school furniture, office furniture, hospital furniture, and medical equipment.

Our Goal

To provide qualitative products to our clients across India and other countries at reasonable prices, ensuring accessibility to advanced medical solutions.

Our Commitment: On-Time Delivery

We are committed to delivering all consignments within the stipulated time frame. This unwavering dedication to punctuality is an integral part of our business ethics, ensuring prompt delivery to both local and international markets.

Certifications & Quality Assurance

Unik Surgical is dedicated to upholding the highest standards of quality and compliance. Our commitment is reflected in our comprehensive list of certifications, ensuring our products meet stringent national and international benchmarks.

State-of-the-Art Infrastructure

Our well-equipped infrastructure is meticulously segregated into various specialised units to ensure seamless production operations. Each unit plays a crucial role in maintaining our high standards:

- **Product Designing Unit:** Where innovative concepts are transformed into precise designs.
- **Quality Checking Unit:** Rigorous testing ensures every product meets global standards.
- **Packaging Unit:** Dedicated to secure and protective packaging for transit.

Our team of experienced engineers and skilled workforce diligently carries out manufacturing activities, producing a flawless range of products. We systematically develop international quality standard and customised products to meet diverse client needs.
